

## Instructions

Card priority order:

- Red = highest
- Yellow = medium
- Green = lowest

If you are attending in person:

- Take one red, yellow, and green card
- Write your name on your cards
- Hold up a hand + a card to start a new thread
- Hold up a finger + a card to follow up
- Give used cards to Sophie

If you are attending on Zoom:

- Type “hand - [card color]” to start a new thread
- Type “finger - [card color]” to follow up

## Questions

1. Who are the **stakeholders**? How might they be affected positively or negatively by the intervention?
2. What is the best utilitarian argument **for** conducting the intervention?
3. What is the best utilitarian argument **against** conducting the intervention?
4. Setting utilitarianism aside, why else might someone think that conducting the intervention would be **morally wrong**? Are they right?
5. Assume that conducting the intervention would be wrong. What changes could we make to **the GUIDE algorithm** to address the problem?
6. Assume that conducting the intervention would be wrong. What changes could we make to **other aspects of the intervention** to address the problem?
